Go to online wholesales shop at our website: www.sol-lite.com.

We have modified and improved the following products:

Full Sol-Pave Brick is now available!

We have developed a full pave brick that has the standard size of a brick, L200mm x W100mm x H60mm (8" x 4" x 2.5"). You can place it into walkways, walls and other pavements. The brick is water and weather proof.

Sol-Shaver

Our solar shaver now has a new design. No more carrying extra batteries or wired chargers on your travels. How convenient!

Sol-Candle

We have improved our Sol-Candle and modified the flame part. Now a more stylish and realistic looking plastic flame covers the LED.

**We have updated our web site www.sol-lite.com.
The following improvements have been made:**

We have simplified the member's registration form, it will only take you 2 minutes to register and take advantage of our online wholesales shop. [Try it out](#).

We have improved our menu to make it more users friendly. It is easier to find your way through. Test it yourself. Your feedback is much appreciated.

Sol-Lite is expanding!!! New 5,000 sq. m. factory:

The new 5,000 sq. m. (50,000 sq. ft.) factory has over 5 floors and has 2.5 times the capacity of our old facility. The extension allows us to process more orders simultaneously in shorter lead times. We have updated our potting line with new equipment. We have also added a module lamination line for 10 to 80 watt glass and aluminum framed modules.

You are invited to come and visit us.
Just write to websales@sol-lite.com.

Our new factory address:

Block 68, Long Wang Miao Industrial District
Bai Shi Xia, Fu Yong, Bao An District
Shenzhen, Guangdong Province, PRC 518103
(10 minutes from Shenzhen airport or ferry port and
50 minutes from Lo Wu Border)
